LAW 1 – The Field of Play

Field Surface

Matches may be played on natural or artificial surfaces, according to the rules of the competition.

The color of artificial surfaces must be green.

Where artificial surfaces are used in either competition matches between representative teams of member associations affiliated to FIFA or international club competition matches, the surface must meet the requirements of the FIFA Quality Concept for Football Turf or the International Artificial Turf Standard, unless special dispensation is given by FIFA.

Field Markings

The field of play must be rectangular and marked with lines. These lines belong to the areas of which they are boundaries.

The two longer boundary lines are called touch lines. The two shorter lines are called goal lines.

The field of play is divided into two halves by a halfway line, which joins the midpoints of the two touch lines.

The center mark is indicated at the midpoint of the halfway line. A circle with a radius of 9.15 m (10 yds) is marked around it.

Marks may be made off the field of play, 9.15 m (10 yds) from the corner arc and at right angles to the goal lines and the touch lines, to ensure that defending players retreat this distance when a corner kick is being taken.

Dimensions

The length of the touch line must be greater than the length of the goal line.

Length: minimum 90 m (100 yds)
maximum 120 m (130 yds)

Width: minimum 45 m (50 yds)
maximum 90 m (100 yds)

All lines must be of the same width, which must be not more than 12 cm (5 ins).

International Matches

Length: minimum 100 m (110 yds)
maximum 110 m (120 yds)

Width: minimum 64 m (70 yds)
maximum 75 m (80 yds)

The Goal Area

Two lines are drawn at right angles to the goal line, 5.5 m (6 yds) from the inside of each goalpost. These lines extend into the field of play for a distance of 5.5 m (6 yds) and are joined by a line drawn parallel with the goal line. The area bounded by these lines and the goal line is the goal area.

The Penalty Area

Two lines are drawn at right angles to the goal line, 16.5 m (18 yds) from the inside of each goalpost. These lines extend into the field of play for a distance of 16.5 m (18 yds) and are joined by a line drawn parallel with the goal line. The area bounded by these lines and the goal line is the penalty area.

Within each penalty area, a penalty mark is made 11 m (12 yds) from the midpoint between the goalposts and equidistant to them.

An arc of a circle with a radius of 9.15 m (10 yds) from the center of each penalty mark is drawn outside the penalty area.

Flag Posts

A flag post, not less than 1.5 m (5 ft) high, with a non-pointed top and a flag must be placed at each corner.

Flag posts may also be placed at each end of the halfway line, not less than 1 m (1 yd) outside the touch line.

The Corner Arc

A quarter circle with a radius of 1 m (1 yd) from each corner flag post is drawn inside the field of play.

Goals

A goal must be placed on the center of each goal line.

A goal consists of two upright posts equidistant from the corner flag posts and joined at the top by a horizontal crossbar. The goalposts and crossbar must be made of wood, metal or other approved material. They must be square, rectangular, round

or elliptical in shape and must not be dangerous to players.

The distance between the posts is 7.32 m (8 yds) and the distance from the lower edge of the crossbar to the ground is 2.44 m (8 ft).

Both goalposts and the crossbar have the same width and depth, which do not exceed 12 cm (5 ins). The goal lines must be of the same width as the goalposts and the crossbar. Nets may be attached to the goals and the ground behind the goal, provided that they are properly supported and do not interfere with the goalkeeper.

The goalposts and crossbars must be white.

Safety

Goals must be anchored securely to the ground. Portable goals may only be used if they satisfy this requirement.

The position of the goalposts in relation to the goal line must be according to the graphics below.

If the shape of the goalposts is square (viewed from above), the sides must be parallel or perpendicular to the goal line. The sides of the crossbar must be parallel or perpendicular to the field plane.

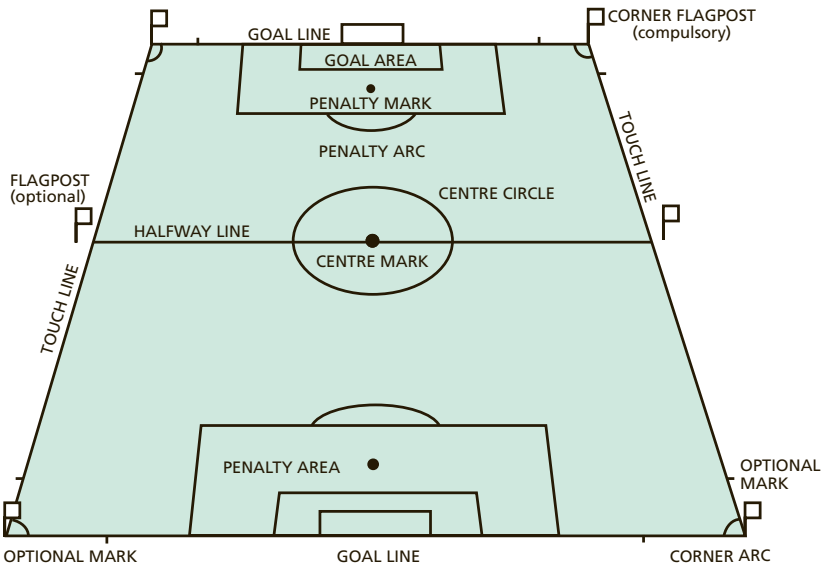

If the shape of the goalposts is elliptical (viewed from above), the longest axis must be perpendicular to the goal line. The longest axis of the crossbar must be parallel to the field plane.

If the shape of the goalposts is rectangular (viewed from above), the longest side must be perpendicular to the goal line. The longest side of the crossbar must be parallel to the field plane.

Metric Measurements

Imperial Measurements

Decisions of the International F.A. Board

Where a technical area exists, it must meet the requirements approved by the International F.A. Board, which

are contained in the section of this publication entitled The Technical Area.

Qualities and Measurements

The ball is:

- *spherical*
- *made of leather or other suitable material*
- *of a circumference of not more than 70 cm (28 ins) and not less than 68 cm (27 ins)*
- *not more than 450g (16 oz) in weight and not less than 410g (14 oz) at the start of the match*
- *of a pressure equal to 0.6 -1.1 atmosphere (600 – 1100 g/cm²) at sea level (8.5 lbs/sq in 15.6 lbs/sq in).*

Replacement of a Defective Ball

If the ball bursts or becomes defective during the course of a match:

- *the match is stopped*
- *the match is restarted by dropping the replacement ball at the place where the original ball became defective, unless play was stopped inside the goal area, in which case the referee drops the replacement ball on the goal area line parallel to the goal line at the point nearest to where the original ball was located when play was stopped.*

If the ball bursts or becomes defective during a penalty kick or during kicks from the penalty mark as it moves forward and before it touches any player or the crossbar or goalposts:

- *the penalty kick is retaken.*

If the ball bursts or becomes defective while not in play at a kick-off, goal kick, corner kick, free kick, penalty kick or throw-in:

- *the match is restarted accordingly.*

The ball may not be changed during the match without the authority of the referee.

Decisions of the International F.A. Board

Decision 1

In addition to the requirements of Law 2, acceptance of a ball for use in matches played in an official competition organized under the auspices of FIFA or the confederations is conditional upon the ball bearing one of the following:

- the official “FIFA APPROVED” logo
- the official “FIFA INSPECTED” logo
- the “INTERNATIONAL MATCHBALL STANDARD” logo

Such a logo on a ball indicates that it has been tested officially and found to be in compliance with specific technical requirements, different for each logo and additional to the minimum specifications stipulated in Law 2. The list of the additional requirements specific to each of the respective logos must be approved by the International F.A. Board. The institutes conducting the tests are subject to the approval of FIFA.

Member association competitions may also require the use of balls bearing any one of these three logos.

Decision 2

In matches played in an official competition organized under the auspices of FIFA, the confederations or the member associations, no form of commercial advertising on the ball is permitted, except for the emblem of the competition, the competition organizer and the authorized trademark of the manufacturer. The competition regulations may restrict the size and number of such markings.

Decision 3

Where goal-line technology (GLT) is used, balls with integrated technology are allowed, but they must either be “FIFA APPROVED,” “FIFA INSPECTED” or “INTERNATIONAL MATCHBALL STANDARD” (See “Decision 1”).

IMS
INTERNATIONAL
MATCHBALL
STANDARD™

Number of Players

A match is played by two teams, each consisting of not more than eleven players, one of whom is the goalkeeper. A match may not start if either team consists of fewer than seven players.

Number of Substitutions

Official Competitions

Up to a maximum of three substitutes may be used in any match played in an official competition organized under the auspices of FIFA, the confederations or the member associations.

The rules of the competition must state how many substitutes may be nominated, from three up to a maximum of twelve.

Other Matches

In national “A” team matches, up to a maximum of six substitutes may be used.

In all other matches, a greater number of substitutes may be used provided that:

- *the teams concerned reach agreement on a maximum number*
- *the referee is informed before the match.*

If the referee is not informed, or if no agreement is reached before the match, no more than six substitutes are allowed.

Substitution Procedure

In all matches, the names of the substitutes must be given to the referee prior to the start of the match. Any substitute whose name is not given to the referee at this time may not take part in the match.

To replace a player with a substitute, the following conditions may be observed:

- *the referee must be informed before any proposed substitution is made*
- *the substitute only enters the field of play after the player being replaced has left and after receiving a signal from the referee*
- *the substitute only enters the field of play at the halfway line and during a stoppage in the match*
- *the substitution is completed when a substitute enters the field of play*
- *from that moment, the substitute becomes a player and the player he has replaced becomes a substituted player*
- *the substituted player takes no further part in the match*
- *all substitutes are subject to the authority and jurisdiction of the referee, whether called upon to play or not.*

Changing the Goalkeeper

Any of the other players may change places with the goalkeeper, provided that:

- *the referee is informed before the change is made*
- *the change is made during a stoppage in the match.*

Infringements and Sanctions

If a substitute enters the field of play without the referee's permission:

- *the referee stops play (although not immediately if the substitute or substituted player does not interfere with play)*
- *the referee cautions him for unsporting behavior and orders him to leave the field of play*
- *if the referee has stopped play, it is restarted with an indirect free kick for the opposing team from the position of the ball at the time of the stoppage (see Law 13 – Position of Free Kick).*

If a named substitute enters the field of play instead of a named player at the start of the match and the referee is not informed of this change:

- *the referee allows the named substitute to continue the match*
- *no disciplinary action is taken against the named substitute*
- *the number of substitutions allowed by the offending team is not reduced*
- *the referee reports the incident to the appropriate authorities*

If a player changes places with the goalkeeper without the referee's permission before the change is made:

- *the referee allows play to continue*
- *the referee cautions the players concerned when the ball is next out of play.*

In the event of any other infringements of this Law:

- *the players concerned are cautioned*
- *the match is restarted with an indirect free kick, to be taken by a player of the opposing team from the position of the ball at the time of the stoppage (see Law 13 – Position of Free Kick).*

Players and Substitutes Sent Off

A player who has been sent off before the kick-off may be replaced only by one of the named substitutes.

A named substitute who has been sent off, either before the kick-off or after play has started, may not be replaced.

Safety

A player must not use equipment or wear anything which is dangerous to himself or another player (including all jewelry).

Basic Equipment

The basic compulsory equipment of a player comprises the following separate items:

- *a jersey or shirt—if undergarments are worn, the color of the sleeve should be the same main color as the sleeve of the jersey or shirt*
- *shorts—if undershorts or tights are worn, they must be the same main color as the shorts*
- *stockings—if tape or similar material is applied externally it must be the same color as that part of the stocking it is applied to*
- *shinguards*
- *footwear.*

Shinguards

- *are covered entirely by the stockings*
- *are made of rubber, plastic or a similar suitable material*
- *provide a reasonable degree of protection.*

Colors

- *The two teams must wear colors that distinguish them from each other and also the referee and the assistant referees*
- *Each goalkeeper must wear colors that distinguish him from the other players, the referee and the assistant referees.*

Infringements/Sanctions

In the event of any infringement of this Law:

- *play need not be stopped*
- *the player at fault is instructed by the referee to leave the field of play to correct his equipment*
- *the player leaves the field of play when the ball next ceases to be in play, unless he has already corrected his equipment*
- *any player required to leave the field of play to correct his equipment must not re-enter without the referee's permission*
- *the referee checks that the player's equipment is correct before allowing him to re-enter the field of play*
- *the player is only allowed to re-enter the field of play when the ball is out of play.*

A player who has been required to leave the field of play because of an infringement of this Law and who re-enters the field of play without the referee's permission must be cautioned.

Restart of Play

If play is stopped by the referee to administer a caution:

- *the match is restarted by an indirect free kick taken by a player of the opposing team, from the place where the ball was located when the referee stopped the match (see Law 13 – Position of Free Kick).*

Decision of the International F.A. Board

Decision 1

Players must not reveal undergarments showing slogans or advertising. The basic compulsory equipment must not have any political, religious or personal statements.

A player removing his jersey or shirt to reveal slogans or advertising will be sanctioned by

the competition organiser. The team of a player whose basic compulsory equipment has political, religious or personal slogans or statements will be sanctioned by the competition organiser or by FIFA.

LAW 5 – The Referee

The Authority of the Referee

Each match is controlled by a referee who has full authority to enforce the Laws of the Game in connection with the match to which he has been appointed.

Powers and Duties

The Referee:

- enforces the Laws of the Game
- controls the match in cooperation with the assistant referees and, where applicable, with the fourth official
- ensures that any ball used meets the requirements of Law 2
- ensures that the players' equipment meets the requirements of Law 4
- acts as timekeeper and keeps a record of the match
- stops, suspends or abandons the match, at his discretion, for any infringements of the Laws
- stops, suspends or abandons the match because of outside interference of any kind
- stops the match if, in his opinion, a player is seriously injured and ensures that he is removed from the field of play. An injured player may only return to the field of play after the match has restarted
- allows play to continue until the ball is out of play if a player is, in his opinion, only slightly injured
- ensures that any player bleeding from a wound leaves the field of play. The player may only return on receiving a signal from the referee, who must be satisfied that the bleeding has stopped
- allows play to continue when the team against which an offense has been committed will benefit from such an

advantage and penalizes the original offense if the anticipated advantage does not ensue at that time

- *punishes the more serious offense when a player commits more than one offense at the same time*
- *takes disciplinary action against players guilty of cautionable and sending-off offenses. He is not obliged to take this action immediately but must do so when the ball next goes out of play*
- *takes action against team officials who fail to conduct themselves in a responsible manner and may, at his discretion, expel them from the field of play and its immediate surrounds*
- *acts on the advice of the assistant referees regarding incidents that he has not seen*
- *ensures that no unauthorized persons enter the field of play*
- *indicates the restart of the match after it has been stopped*
- *provides the appropriate authorities with a match report, which includes information on any disciplinary action taken against players and/or team officials and any other incidents that occurred before, during or after the match.*

Decisions of the Referee

The decisions of the referee regarding facts connected with play, including whether or not a goal is scored and the result of the match, are final.

The referee may only change a decision on realizing that it is incorrect or, at his discretion, on the advice of an assistant referee or the fourth official, provided that he has not restarted play or terminated the match.

Decisions of the International F.A. Board

Decision 1

A referee (or where applicable, an assistant referee or fourth official) is not held liable for:

Any kind of injury suffered by a player, official or spectator

Any damage to property of any kind

Any other loss suffered by any individual, club, company, association or other body, which is due or which may be due to any decision that he may take under the terms of the Laws of the Game or in respect of the normal procedures required to hold, play and control a match.

Such decision may include:

- *a decision that the condition of the field of play or its surrounds or that the weather conditions are such as to allow or not to allow a match to take place*
- *a decision to abandon a match for whatever reason*
- *a decision as to the suitability of the field equipment and ball used during a match*
- *a decision to stop or not to stop a match due to spectator interference or any problem in spectator areas*
- *a decision to stop or not to stop play to allow an injured player to be removed from the field of play for treatment*
- *a decision to require an injured player to be removed from the field of play for treatment*

- *a decision to allow or not to allow a player to wear certain apparel or equipment*
- *a decision (where he has the authority) to allow or not to allow any persons (including team or stadium officials, security officers, photographers or other media representatives) to be present in the vicinity of the field of play*
- *any other decision that he may take in accordance with the Laws of the Game or in conformity with his duties under the terms of FIFA, confederation, member association or league rules or regulations under which the match is played.*

Decision 2

In tournaments or competitions where a fourth official is appointed, his role and duties must be in accordance with the guidelines approved by the International F.A. Board, which are contained in this publication.

Decision 3

Where goal-line technology (GLT) is used (subject to respective competition rules), the referee has the duty to test the technology's functionality before the match. The tests to be performed are set out in the *FIFA Quality Programme for GLT Testing Manual*. If the technology does not function in accordance with the Testing Manual, the referee must not use the GLT system and must report this incident to the respective authority.

LAW 6 – The Assistant Referees

Duties

Two assistant referees may be appointed whose duties, subject to the decision of the referee, are to indicate:

- *when the whole of the ball leaves the field of play*
- *which team is entitled to a corner kick, goal kick or throw-in*
- *when a player may be penalized for being in an offside position*
- *when a substitution is requested*
- *when misconduct or any other incident occurs out of the view of the referee*
- *when offenses have been committed whenever the assistant referees have a better view than the referee (this includes, in certain circumstances, offenses committed in the penalty area)*
- *whether, at penalty kicks, the goalkeeper moves off the goal line before the ball is kicked and if the ball crosses the line.*

Assistance

The assistant referees also assist the referee to control the match in accordance with the *Laws of the Game*. In particular, they may enter the field of play to help control the 9.15 m (10 yds) distance.

In the event of undue interference or improper conduct, the referee will relieve an assistant referee of his duties and make a report to the appropriate authorities.

Periods of Play

The match lasts two equal periods of 45 minutes, unless otherwise mutually agreed between the referee and the two teams. Any agreement to alter the duration of the periods of play (for example, to reduce each half to 40 minutes because of insufficient light) must be made before the start of play and must comply with competition rules.

Half-Time Interval

Players are entitled to an interval at half-time. The half-time interval must not exceed 15 minutes. Competition rules must state the duration of the half-time interval. The duration of the half-time interval may be altered only with the consent of the referee.

Allowance for Time Lost

Allowance is made in either period for all time lost through:

- *substitutions*
- *assessment of injury to players*
- *removal of injured players from the field of play for treatment*
- *wasting time*
- *any other cause.*

The allowance for time lost is at the discretion of the referee.

Penalty Kick

If a penalty kick has to be taken or retaken, the duration of either half is extended until the penalty kick is completed.

Abandoned Match

An abandoned match is replayed unless the competition rules provide otherwise.

LAW 8 – The Start and Restart of Play

Definition of a kick-off

A kick-off is a way of starting or restarting play:

- at the start of the match
- after a goal has been scored
- at the start of the second half of the match
- at the start of each period of extra time, where applicable.

A goal may be scored directly from the kick-off.

Procedure

Before a kick-off at the start of the match or extra time

- a coin is tossed and the team that wins the toss decides which goal it will attack in the first half of the match or extra time
- The other team takes the kick-off to start the match or the extra time
- the team that wins the toss takes the kick-off to start the second half of the match
- in the second half of the match or extra time, the teams change ends and attack the opposite goals.

Kick-off

- after a team scores a goal, the kick-off is taken by the other team
- all players must be in their own half of the field of play
- the opponents of the team taking the kick-off are at least 9.15m (10 yds) from the ball until it is in play
- the ball must be stationary on the center mark
- the referee gives a signal
- the ball is in play when it is kicked and moves forward
- the kicker must not touch the ball again until it has touched another player.

Infringements/Sanctions

If the player taking the kick-off touches the ball again before it has touched another player:

- an indirect free kick is awarded to the opposing team to be taken from the position of the ball when the infringement occurred (see Law 13 – Position of Free Kick).

In the event of any other infringement of the kick-off procedure:

- the kick-off is retaken.

Definition of dropped ball

A dropped ball is a method of restarting play when, while the ball is still in play, the referee is required to stop play temporarily for any reason not mentioned elsewhere in the *Laws of the Game*.

Procedure

The referee drops the ball at the place where it was located when play was stopped, unless play was stopped inside the goal area, in which case the referee drops the ball on the goal area line parallel to the goal line at the point nearest to where the ball was located when play was stopped.

The ball is in play when it touches the ground.

Infringements/Sanctions

The ball is dropped again:

- *if it is touched by a player before it makes contact with the ground*
- *if the ball leaves the field of play after it makes contact with the ground, without a player touching it.*

If the ball enters the goal:

- *if a dropped ball is kicked directly into the opponents' goal, a goal kick is awarded*
- *if a dropped ball is kicked directly into the team's own goal, a corner kick is awarded to the opposing team.*

LAW 9 – The Ball In and Out of Play

Ball Out of Play

The ball is out of play when:

- *it has wholly crossed the goal line or touch line whether on the ground or in the air*
- *play has been stopped by the referee.*

Ball In Play

The ball is in play at all other times, including when:

- *it rebounds from a goalpost, crossbar or corner flag post and remains in the field of play*
- *it rebounds from either the referee or an assistant referee when they are on the field of play.*

Goal Scored

A goal is scored when the whole of the ball passes over the goal line, between the goalposts and under the crossbar, provided that no infringement of the Laws of the Game has been committed previously by the team scoring the goal.

Winning Team

The team scoring the greater number of goals during a match is the winner. If both teams score an equal number of goals, or if no goals are scored, the match is drawn.

Competition Rules

When competition rules require there to be a winning team after a match or home-and-away tie, the only permitted procedures for determining the winning team are those approved by the International F.A. Board, namely:

- *Away goals rule*
- *Extra time*
- *Kicks from the penalty mark.*

Goal-Line Technology (GLT)

GLT systems may be used for the purpose of verifying whether a goal has been scored to support the referee's decision. The use of GLT must be stipulated in the respective competition rules.

Offside Position

It is not an offense in itself to be in an offside position.

A player is in an offside position if:

- *he is nearer to his opponents' goal line than both the ball and the second to last opponent*

A player is not in an offside position if:

- *he is in his own half of the field of play*
- *he is level with the second to last opponent*
- *he is level with the last two opponents.*

Offense

A player in an offside position is only penalized if, at the moment the ball touches or is played by one of his team, he is, in the opinion of the referee, involved in active play by:

- *interfering with play*
- *interfering with an opponent*
- *gaining an advantage by being in that position.*

No Offense

There is no offside offense if a player receives the ball directly from:

- *a goal kick*
- *a throw-in*
- *a corner kick.*

Infringements/Sanctions

In the event of an offside offense, the referee awards an indirect free kick to the opposing team to be taken from the place where the infringement occurred (*see Law 13 – Position of Free Kick*).

Fouls and misconduct are penalized as follows:

Direct Free Kick

A direct free kick is awarded to the opposing team if a player commits any of the following seven offenses in a manner considered by the referee to be careless, reckless or using excessive force:

- *kicks or attempts to kick an opponent*
- *trips or attempts to trip an opponent*
- *jumps at an opponent*
- *charges an opponent*
- *strikes or attempts to strike an opponent*
- *pushes an opponent*
- *tackles an opponent.*

A direct free kick is also awarded to the opposing team if a player commits any of the following three offenses:

- *holds an opponent*
- *spits at an opponent*
- *handles the ball deliberately (except for the goalkeeper within his own penalty area).*

A direct free kick is taken from the place where the offense occurred (*see Law 13 – Position of Free Kick*).

Penalty Kick

A penalty kick is awarded if any of the above ten offenses is committed by a player inside his own penalty area, irrespective of the position of the ball, provided it is in play.

Indirect Free Kick

An indirect free kick is awarded to the opposing team if a goalkeeper, inside his own penalty area, commits any of the following four offenses:

- *controls the ball with his hands for more than six seconds before releasing it from his possession*
- *touches the ball again with his hands after he has released it from his possession and before it has touched another player*
- *touches the ball with his hands after it has been deliberately kicked to him by a team-mate*
- *touches the ball with his hands after he has received it directly from a throw-in taken by a team-mate.*

An indirect free kick is also awarded to the opposing team if, in the opinion of the referee, a player:

- *plays in a dangerous manner*
- *impedes the progress of an opponent*
- *prevents the goalkeeper from releasing the ball from his hands*
- *commits any other offense, not previously mentioned in Law 12, for which play is stopped to caution or send off a player.*

The indirect free kick is taken from the place where the offense occurred (*see Law 13 – Position of Free Kick*).

Disciplinary Sanctions

The yellow card is used to communicate that a player, substitute or substituted player has been cautioned.

The red card is used to communicate that a player, substitute or substituted player has been sent off.

Only a player, substitute or substituted player may be shown the red or yellow card.

The referee has the authority to take disciplinary sanctions from the moment he enters the field of play until he leaves the field of play after the final whistle.

A player who commits a cautionable or sending-off offense, either on or off the field of play, whether directed towards an opponent, a team-mate, the referee, an assistant referee or any other person, is disciplined according to the nature of the offence committed.

Cautionable Offenses

A player is cautioned and shown the yellow card if he commits any of the following seven offenses:

- *unsporting behavior*
- *dissent by word or action*
- *persistent infringement of the Laws of the Game*
- *delaying the restart of play*
- *failure to respect the required distance when play is restarted with a corner kick, free kick or throw-in*
- *entering or re-entering the field of play without the referee's permission*
- *deliberately leaving the field of play without the referee's permission.*

A substitute or substituted player is cautioned if he commits any of the following three offenses:

LAW 13 – Free Kicks

Types of Free Kicks

Free kicks are either direct or indirect.

The Direct Free Kick

Ball Enters the Goal

- if a direct free kick is kicked directly into the opponents' goal, a goal is awarded
- if a direct free kick is kicked directly into the team's own goal, a corner kick is awarded to the opposing team.

The Indirect Free Kick

Signal

The referee indicates an indirect free kick by raising his arm above his head. He maintains his arm in that position until the kick has been taken and the ball has touched another player or goes out of play.

Ball Enters the Goal

A goal can be scored only if the ball subsequently touches another player before it enters the goal:

- if an indirect free kick is kicked directly into the opponents' goal, a goal kick is awarded
- if an indirect free kick is kicked directly into the team's own goal, a corner kick is awarded to the opposing team.

Procedure

For both direct and indirect free kicks, the ball must be stationary when the kick is taken and the kicker must not touch the ball again until it has touched another player.

Position of Free Kick

Free Kick Inside the Penalty Area

Direct or indirect free kick to the defending team:

- all opponents must be at least 9.15 m (10 yds) from the ball
- all opponents must remain outside the penalty area until the ball is in play
- the ball is in play when it is kicked directly out of the penalty area
- a free kick awarded in the goal area may be taken from any point inside that area.

Indirect free kick to the attacking team:

- all opponents must be at least 9.15 m (10 yds) from the ball until it is in play, unless they are on their own goal line between the goalposts
- the ball is in play when it is kicked and moves
- an indirect free kick awarded inside the goal area must be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred.

Free Kick Outside the Penalty Area

- all opponents must be at least 9.15 m (10 yds) from the ball until it is in play
- the ball is in play when it is kicked and moves
- the free kick is taken from the place where the infringement occurred or from the position of the ball when the infringement occurred (according to the infringement).

Infringements/Sanctions

If, when a free kick is taken, an opponent is closer to the ball than the required distance:

- *the kick is retaken.*

If, when a free kick is taken by the defending team from inside its own penalty area, the ball is not kicked directly out of the penalty area:

- *the kick is retaken.*

Free kick taken by a player other than the goalkeeper

If, after the ball is in play, the kicker touches the ball again (except with his hands) before it has touched another player:

- *an indirect free kick is awarded to the opposing team, the kick to be taken from the place where the infringement occurred (see Law 13 – Position of Free Kick).*

If, after the ball is in play, the kicker deliberately handles the ball before it has touched another player:

- *a direct free kick is awarded to the opposing team, the kick to be taken from the place where the infringement occurred (see Law 13 – Position of Free Kick)*
- *a penalty kick is awarded if the infringement occurred inside the kicker's penalty area.*

- *an indirect free kick is awarded to the opposing team if the infringement occurred inside the goalkeeper's penalty area, the kick to be taken from the place where the infringement occurred (see Law 13 – Position of Free Kick).*

LAW 14 – The Penalty Kick

A penalty kick is awarded against a team which commits one of the ten offenses for which a direct free kick is awarded, inside its own penalty area and while the ball is in play.

A goal may be scored directly from a penalty kick.

Additional time is allowed for a penalty kick to be taken at the end of each half or at the end of periods of extra time.

Position of the Ball and the Players

The ball:

- *must be placed on the penalty mark*

The player taking the penalty kick:

- *must be properly identified*

The players other than the kicker must be located:

- *inside the field of play*
- *outside the penalty area*
- *behind the penalty mark*
- *at least 9.15 m (10 yds) from the penalty mark.*

Procedure

- *After the players have taken positions in accordance with this Law, the referee signals for the penalty kick to be taken*
- *The player taking the penalty kick must kick the ball forward*
- *He must not play the ball again until it has touched another player*
- *The ball is in play when it is kicked and moves forward.*

When a penalty kick is taken during the normal course of play, or time has been extended at half-time or full time to allow a penalty kick to be taken or retaken, a goal is awarded if, before passing between the goalposts and under the crossbar:

- *the ball touches either or both of the goalposts and/or the crossbar and/or the goalkeeper.*

The referee decides when a penalty kick has been completed.

Infringements/Sanctions

If the referee gives the signal for a penalty kick to be taken and, before the ball is in play, one of the following occurs:

The player taking the penalty kick infringes the Laws of the Game:

- *the referee allows the kick to be taken*
- *if the ball enters the goal, the kick is retaken*
- *if the ball does not enter the goal, the referee stops play and the match is restarted with an indirect free kick to the defending team, from the place where the infringement occurred.*

The goalkeeper infringes the Laws of the Game:

- *the referee allows the kick to be taken*
- *if the ball enters the goal, a goal is awarded*
- *if the ball does not enter the goal, the kick is retaken.*

A teammate of the player taking the kick infringes the Laws of the Game:

- *the referee allows the kick to be taken*

The ball is touched by an outside agent as it moves forward:

- *the kick is retaken.*

The ball rebounds into the field of play from the goalkeeper, the crossbar or the goalposts, and is then touched by an outside agent:

- *the referee stops play*
- *play is restarted with a dropped ball at the place where it touched the outside agent, unless it touched the outside agent inside the goal area, in which case the referee drops the ball on the goal area line parallel to the goal line at the point nearest to where the ball was located when play was stopped.*

LAW 15 – The Throw-In

A throw-in is a method of restarting play.

A throw-in is awarded to the opponents of the player who last touched the ball when the whole of the ball crosses the touch line, either on the ground or in the air.

A goal cannot be scored directly from a throw-in.

Procedures To Determine The Winner Of A Match

Away goals, extra time and kicks from the penalty mark are the three methods approved for determining the winning team where competition rules require there to be a winning team after a match has been drawn.

Away Goals

Competition rules may provide that where teams play each other home and away, if the aggregated scores are equal after the second match, any goals scored at the ground of the opposing team will count double.

Extra Time

Competition rules may provide for two further equal periods, not exceeding 15 minutes each, to be played. The conditions of Law 8 will apply.

Kicks from the Penalty Mark

Procedure

- *The referee chooses the goal at which the kicks will be taken*
- *The referee tosses a coin and the team whose captain wins the toss decides whether to take the first or the second kick*
- *The referee keeps a record of the kicks being taken*
- *Subject to the conditions explained below, both teams take five kicks*
- *The kicks are taken alternately by the teams*
- *If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken*
- *If, after both teams have taken five kicks, both have scored the same number of goals, or have not scored any goals, kicks continue to be taken in the same order until one team has scored a goal more than the other from the same number of kicks*
- *A goalkeeper who is injured while kicks are being taken from the penalty mark and is unable to continue as goalkeeper may be replaced by a named substitute provided his team has not used the maximum number of substitutes permitted under the competition rules*
- *With the exception of the foregoing case, only players who are on the field of play at the end of the match, which includes extra time where appropriate, are eligible to take kicks from the penalty mark*
- *Each kick is taken by a different player and all eligible players must take a kick before any player can take a second kick*
- *An eligible player may change places with the goalkeeper at any time when kicks from the penalty mark are being taken*
- *Only the eligible players and match officials are permitted to remain on the field of play when kicks from the penalty mark are being taken*
- *All players, except the player taking the kick and the two goalkeepers, must remain within the center circle*
- *The goalkeeper who is the teammate of the kicker must remain on the field of play, outside the penalty area in which the kicks are being taken, on the goal line where it meets the penalty area boundary line*
- *Unless otherwise stated, the relevant Laws of the Game and International F.A. Board Decisions apply when kicks from the penalty mark are being taken*
- *If, at the end of the match and before kicks start to be taken from the penalty mark, one team has a greater number of players than its opponents, it must reduce its number to equate with that of its opponents and the team captain must inform the referee of the name and number of each player excluded. Any player thus excluded may not participate in kicks from the penalty mark*
- *Before the start of kicks from the penalty mark, the referee must ensure that an equal number of players from each team remains within the center circle and they shall take the kicks.*

THE TAKING OF KICKS FROM THE PENALTY MARK

The Technical Area

The technical area relates to matches played in stadiums with a designated seated area for technical staff and substitutes as described below.

While the size and position of technical areas may differ between stadiums, the following notes are issued for general guidance:

- *the technical area extends 1 m (1 yd) on either side of the designated seated area and extends forward up to a distance of 1 m (1 yd) from the touch line*
- *it is recommended that markings are used to define this area*
- *the number of persons permitted to occupy the technical area is defined by the competition rules*
- *the occupants of the technical area are identified before the beginning of the match in accordance with the competition rules*
- *only one person at a time is authorized to convey tactical instructions from the technical area*
- *the coach and other officials must remain within its confines except in special circumstances, for example, a physiotherapist or doctor entering the field of play, with the referee's permission, to assess an injured player*
- *the coach and other occupants of the technical area must behave in a responsible manner.*

- *A fourth official may be appointed under the competition rules and officiates if any of the three match officials is unable to continue, unless a reserve assistant referee is appointed. He assists the referee at all times*
- *Prior to the start of the competition, the organizer states clearly whether, if the referee is unable to continue, the fourth official takes over as the referee or whether the senior assistant referee takes over as referee with the fourth official becoming an assistant referee*
- *The fourth official assists with any administrative duties before, during and after the match, as required by the referee*
- *He is responsible for assisting with substitution procedures during the match*
- *He has the authority to check the equipment of substitutes before they enter the field of play. If their equipment does not comply with the Laws of the Game, he informs the referee*
- *He supervises the replacement balls, where required. If the match ball has to be replaced during a match, he provides another ball, on the instruction of the referee, thus keeping the delay to a minimum*
- *He assists the referee to control the match in accordance with the Laws of the Game. The referee, however, retains the authority to decide on all points connected with play*
- *After the match, the fourth official must submit a report to the appropriate authorities on any misconduct or other incident that occurred out of the view of the referee and the assistant referees. The fourth official must advise the referee and his assistants of any report being made*
- *He has the authority to inform the referee of irresponsible behavior by any occupant of the technical area*
- *A reserve assistant referee may also be appointed under competition rules. His only duty shall be to replace an assistant referee who is unable to continue or to replace the fourth official, as required.*
